

Sydney Rowing Club

Sports Manager, Rowing

Sydney Rowing Club has one of Australia's fastest growing rowing programs encompassing a successful high performance squad together with a solid base of capable and enthusiastic club members.

We now wish to appoint a professional Sports Manager who will expand the capability and capacity of our club's various programs.

This is a new and exciting role for an experienced sports professional. The role requires a high level of strategic leadership to implement the club's strategic plan in close cooperation with our coaching staff.

The successful candidate may be experienced in a sport other than rowing.

Key responsibilities include;

- Expand the club's program and optimise the success of our members in competition across all classes of rowing
- Drive the development of detailed season plans and programs in accordance with the Strategic Plan for all categories of rowing
- Work with the club's coaches to optimise delivery of coaching services for the club's members.
- Support the communication and marketing of Sydney Rowing Club and rowing in general for the positive development of the sport of rowing
- Take a proactive role in NSW and Australian rowing.

Applications close – Friday 17th June 2011.

Enquiries may be directed in complete confidence to the President - Keith Jameson, phone 0418 620 838, by email to jameson@sydneyrowingclub.com.au or directly to the club.
