Rowing Coach

Job No 1035  $65 264 - $70 485 per annum

An opportunity exists with the Australian Institute of Sport for a suitably qualified rowing coach to join the Development Rowing Squad. You will work with the National Talent Identification and Development and Rowing program in the establishment of a female development rowing program and in conjunction with coaches, develop and implement coaching sessions in a day-to-day training environment.

The successful applicant will have Level 2 NCAS rowing accreditation and demonstrated success as a coach at a national level. Tertiary qualifications in a relevant field would be an advantage.

*Position will be available until 31 December 2008*

**Information and Job Description**: [www.ausport.gov.au/jobs](http://www.ausport.gov.au/jobs) or Job Description will be posted if name, address and job number are left on answering machine Tel: 02 6214 1437. **In addition to the salary stated job attracts superannuation and employment benefits including use of the gymnasium, childcare and parking facilities available on site.**

**For enquiries about the job after reading the job description contact:**

**How to Apply**: Applications should address at least the Selection Criteria section of the Job Description and include the application form attached to the job description. Please submit applications by email to recruitment@ausport.gov.au by 5.00pm on Monday, 4 December 2006, or telephone 02 6214 1328 if you have difficulty with this service. All applications will be acknowledged electronically.

*Applicants must be Australian citizens or permanent residents of Australia*
