

**Regatta Sub-Committee Agenda 08/09/19**  
**Rowing Australia Board Room 5.30pm**

**1) Review of proposed 2019/20 Rowing ACT Calendar (page 3)**

**Proposal 1 (proposed by ANUBC, details page 7):**

That the Head of the Lake and ACT Championships be merged into a two-day regatta as per the attached program, with the Masters events to move to a stand-alone ACT Masters Championships in early April.

To shorten the regatta the non-Championship C and D grade races have been reduced to C and D quads only. I believe that there is a demand for some non-Championship races at the regatta, so this program caters for them, but with a reduced number of events.

Sunday's Championships regatta could be shortened further if the early morning heats (highlighted in blue) were to be moved to Saturday.

The 2018 regatta included almost 2 hours of under age singles races, with schools/clubs entering up to 15 boats per event. Given that there will be a lot of under age races already that weekend at the Head of the Lake, the Championships regatta could be shortened further if Sunday's under age championships singles were limited to 3-4 entries per club/school per event. This means that club/schools will have to do their own trialing prior to the Championships to determine their best 3-4 scullers for each event. Open Championships events would not have limited entries because they have no HotL the day before.

*\* The Head of the Lake order of events to run from 2019 order of events unless changed by Head of the Lake Committee before 1 September 2019.*

*\* See page 7 for proposed order of events for ACT Championships, a request for an ACT Masters order of events has been placed*

**Proposal 2 (proposed by CLRC)**

That the CLRC Sprints run as a pointscore regatta on the same program as 2019 (SB1x, SG1x, M1x, W1x, SB4x, SG4x, M4x, W4x).

**Proposal 3 (proposed by EO)**

That a December 7 regatta be run as a non-pointscore twilight sprint regatta with a finish line at Weston Park that runs for no longer than three hours. This regatta is dependent on sufficient clubs/schools indicating that they would attend given the date is after the end of school year and clashes with the Rowing NSW Reindeer Regatta.

Potential events:

Mixed quads (school and open)

Relay

Around the buoy races

**Regatta Hosts**

**2) Order of events – 2019/20 season**

**Proposal 4 (proposed by Radford)**

That the current system of heats and finals for C, D and E grade quads be replaced with Year 8, 9 and 10 quad races in place of the heats, and C, D and E grade races in place of the finals. Both new events would be divisional rather than heats and finals.

**Proposal 5 (proposed by BMRC, details page 9)**

That men's and women's masters events be inserted into the regular regatta program as per the attachment.

We would match oar numbers to ensure an event happened. 3 singles and 2 pairs = one race.

Alternatively 6 singles and 5 pairs = 2 races. quads and 8's, fours and doubles

All boats would start based on masters handicaps, no handicaps would be applied based on boat class.

The order of events is pretty flexible, and just an idea to see how it works.

Men and women would race in different boat categories in the same time slot to reduce potential equipment issues.

**3) Nominations Regatta Sub-Committee Chair**

As per By-Law 46 this meeting is due to appoint a chair for the upcoming season. This nominee to be confirmed at next Rowing ACT Board meeting (August 19) as per By-Law 45.

**DRAFT Regatta Calendar (see proposal 1)**

		<b>Draft Rowing ACT 2019/20 Regatta Calendar</b>			
		ACT Regatta	Sydney Regatta	Vic Regatta	Other events
